

SOUTH COUNTY HEALTH

WHO WE ARE

South County Health (SCH) is a full-service healthcare resource facility located in Wakefield, Rhode Island. SCH offers a comprehensive range of advanced inpatient, outpatient and home health services.

Mission:

Most trusted health partner

Vision:

A model health system advancing high value health and wellness in our community by delivering unparalleled quality, service and innovation.

South County Health is a unique place where expert staff focus on quality care and patient safety. SCH has been striving to be the most trusted health partner for over a century.

Our goal: to help people in the community live happier, healthier lives.

WELL BEYOND PROGRAM

- The Well Beyond Program encourages staff and spouses in maintaining or improving a lifestyle of health and wellbeing through a multitude of programs and events.
- The goal of the Well Beyond program is to inspire personal commitment to wellness and to live the SCH vision.
- Well Beyond promotes voluntary program participation through discounted medical rates for those that are benefit eligible.
- Benefit eligible staff and their medically enrolled spouse can earn a non-taxable bonus to a HRA or a taxable bonus in pay for participation.
