

Matt McGrath | President and CEO

Matt McGrath joined Systems Engineering in 2013 and was promoted to Director of Engineering in 2014. In 2017, Matt became the third person to hold the title of President in Systems Engineering's 30-year history. Prior to joining the company, Matt spent 13 years at WEX, Inc. holding a variety of positions including leading the CRM application practice, managing the Project Management Office, managing the New Zealand development arm at the company, and ultimately software development for the Americas.

Matt received his B.A. from Clark University, majoring in Spanish, and his Masters of Education from the University of Maine in Orono. He lives in Yarmouth, Maine with his wife, Sonia, and their four children. Matt is an avid sportsman who enjoys squash, coaching his kids' sports teams, fishing, boating, and hiking in the great outdoors.
